

Certificate

Standard **ISO 9001:2015**

Certificate Registr. No. **01 100 2500826**

Certificate Holder:

Innecken Elektrotechnik GmbH

An der Vogelrute 22-26
53879 Euskirchen
Germany

Scope:

Project management and installation of electrical systems, with a focus on high-, medium-, and low-voltage switchgear, control and protection technology, switchboard construction, industrial installations, cable support systems, service activities, and all related tasks. Planning, supply, and maintenance of switchgear, transformers and complete power supply systems, including protection relay configuration, time-current coordination studies, and CAD/CAE documentation

Proof has been furnished by means of an audit that the requirements of ISO 9001:2015 are met.

Validity:

The certificate is valid from 2026-05-04 until 2027-04-30.
First certification 1997

2026-05-07
